

Explore the Land of the Rising Sun with Budget-Friendly Flights to Tokyo

Discover the land of the Rising Sun and learn about its culture, stunning landscape, and ultimate cuisine. The early morning or late night is the perfect time to pay a visit so that you do not have to stand among the people. However, a costly itinerary might overshadow the thought of visiting Japan. There's good news for you. With the right approach and some savvy travel suggestions, you, your family, and your friends can tour the best of Japan's flight-friendly deals. UNESCO World Heritage Sites to temples that attract people from all around the world. So, stay until the end. Here are the very best things that are recommended to do in Tokyo.

What is the best time to book plane tickets to Tokyo?

Planning a vacation in Japan should be considered during spring (March to May) and Autumn (September to November). Every weather has its charm. The only thing that one should know is the art of making the most of one's time and money when visiting Japan. For example, if one visits during Spring, then be ready to see some never-forgetting views of the blooming cherry blossoms.

It is also called as a symbol of Japan. Let the autumnal leaves fall on you the weather at this time is mild cold and you will witness the landscape transforming into striking red and gold hues. So, pack your clothes, shoes, and accessories accordingly. At the end, you do not want to feel sorry for not carrying certain things.

Note: After you have gathered the details about the best time and following, lock your flight reservations as soon as possible so that you end up getting some great deals without breaking the bank.

Start with Sensoji Temple

Japan is known worldwide for its rich cultural values. The Sensoji temple is one of the oldest temples in Tokyo. It is dedicated to Asakusa Kannon, the Buddhist god of mercy and happiness. From time to time, many Buddhists and interested tourists like to visit this attraction in the hopes that Kannon's healing powers will rub off on them. One will enjoy the grand stature and detailed architectural details.

Shinjuku Gyoen National Garden

During the fall, one can view some of the best autumn colors and the Chrysanthemum Exhibition, which is related to the imperial family. After the Second World War, Shinjuku Gyoen was re-designated as a national garden in 1906. It is a good green walk to see the three distinct styles: formal Garden, Landscape Garden, and Japanese Traditional Garden. Also, it is considered the most important garden from the Meiji Era. Any time of year is a good time to visit Shinjuku Gyoen National Garden because of the wide range of flora in the gardens and greenhouse.

Tokyo National Museum

If you are into learning a little or a lot about Japan's history, then the Tokyo National Museum is the place to go. In 1872 it was founded. The museum houses around The Tokyo National Museum, which contains 122,000 pieces of work and 648 items, is important to Japan's cultural property. It is a great site to learn about Japanese history, whether you're interested in learning a little or a lot. One of the largest museums in the nation, it holds around 120,000 artworks and objects spanning Japan's entire documented history.

Asakusa

Discover the core traditions and rich history of Asakusa. Just a half day tour will be enough. Take in the whole experience as you take a rickshaw ride around the district and then meander along the main commercial strip to try some traditional Japanese delicacies. Visit the well-known Sensoji temple before continuing on to Kappabashi Kitchen Street. Visit a traditional restaurant to learn how to prepare okonomiyaki, a savory pancake, before the tour ends. From there, you can visit the Owl Cafe as well.

Owl Cafe - Healing Entertainment

_If you are interested in exploring one of the most extraordinary outlets in Japan, then Owl Cafe should be on your list, which is also termed as the only one bizarre space of the world. Based on the philosophy of Japan.- interacting with relaxed owls makes people smile, and people believe that it can heal their hearts like therapy. It is one of the recommended places to go for once. Here, the owls are kept in good health, and for 1 hour, each guest is allotted a room to heal themselves in the presence of the owl. The healing effects of classical music, white color, and scone lighting are used in the rooms. The motive is to heal the sufferers from their pain.

Tip: To avoid paying a large amount, plan your [Cheap Flights to Tokyo](#) in advance to take advantage of the most incredible vacation possibilities.

Mt Fuji and Hakone

Take a day trip from Tokyo to explore the natural wonders of Japan, including World Heritage Sites Hakone and Mt. Fuji! You will first travel to Mt. Fuji's Fifth Station on the

Deluxe Coach. Then, enjoy a lunch buffet with fresh local food at the bottom of Mt. Fuji. Take in the excitement of the breathtaking Hakone scenery! Take a sky gondola trip through the scenery, and then enjoy the breeze on a Lake Ashi boat. Take the bullet train to the Tokyo station to make your return.

Shinjuku Golden Gai

Since 1950, the Golden Gai has remained unchanged. The lane is small and claustrophobic, lined with innumerable signs promoting the different businesses that line the route. Remaining from the Showa Era, wood still makes up many of the buildings. The majority are modest, about thirteen square meters, or 122 square feet. The place is noisy and dim, with the smell of grilled meats filling the air. Still, this small alley attracts foreign visitors despite Shinjuku's seemingly limitless supply of stylish new eateries. One well-liked 'un-touristy' tourist destination is Golden Gai.

Tokyo Skytree

_Walk to the famous Tokyo Skytree, as it is far more comfortable at night. Tokyo from above, viewed atop Japan's tallest building, should not be missed! With so many people, the SKYTREE is always full of life. However, the night view is more electrifying. If you have time, plan to visit it on weekday nights. The Skytree, rising 634 meters above the capital's skyline, offers breathtaking, all-encompassing views of Tokyo. Though it's not quite infinite, it's one of the few places where you can see Mt.

Hachiko

_This charming bronze statue was put up in honor of the dog's steadfast loyalty in front of Shibuya Station, just outside the Hachikō exit. (Hachikō shared a grave with the professor.) The statue is a well-known icon, and Shibuya's central square serves as a de facto meeting place for locals and visitors alike.

National Art Centre (NAC)

It is an unusual and cutting-edge art exhibition space that concentrates on acting as a platform for different art exhibitions rather than keeping a permanent collection. To avoid missing anything, book your flights to Tokyo. To make the most of your visit, please note the details below. Like the NAC, which has 14,000 square meters of exhibition space, it is one of the largest in Japan. Situated in Tokyo, an international city that draws people and ideas from all over Japan and the rest of the world, the NACT will give people a chance to witness incredible and varied creative expressions and help establish a new culture centered on cooperation and understanding.
